CONTENTS FOR VOLUME 55

Ashlock, P. D.
A new *Eremocoris* from California with key to North American genera of Drymini 149
Book Reviews 283, 303
Chandler, D. S.
A new species of *Tanarthrus* from California 147
Chemsak, J. A. and Linsley, E. G.
New Cerambycidae from Honduras 267
Committees, Pacific Coast Entomological Society 71
Coville, R. E.
Extra midtibial spur in island population of *Trypoxylon tridentatum* 73
Denning, D. G. and Blickle, R. L.
New species of *Helicopsyche* 27
Denning, D. G. and Resh, V. H.
Obituary: Herbert H. Ross, 1908–1978 74
Dennis, D. S. and Lavigne, R. J.
Ethology of *Machimus callidus*, observations on *M. occidentalis* in Wyoming 208
Edmonds, W. D.
A new species of *Phanaeus* from Mexico 99
Evenhuis, N. L.
First record of Bombyliidae from Santa Barbara Island, California 250
Fadem, C. M. and Shapiro, A. M.
Winter roosting by monarchs at an inland site in California 309
Fender, K. M.
A new California species of *Podabrus* 155
Fisher, J. R. and O'Keeffe, L. E.
Host potential of some cultivated legumes for pea leaf weevil 199
Fisher, J. R. and O'Keeffe, L. E.
Food plants of pea leaf weevil in northern Idaho and eastern Washington .. 202
Flowers, R. W.
A new species of *Baetis* from Panama 187
Foote, R. H. and Blanc, F. L.
New species of Tephritidae from western United States, Mexico, and Guatemala, with revisionary notes 161
Gilbert, A. J.
Biological data on *Cryptocephalus pallidicinctus* Fall 179
Gill, R. J.
A new species of *Pulvinaria* attacking ice plant in California 241
Goeden, R. D. and Ricker, D. W.
Life history of *Zygogramma tortuosa* on *Ambrosia eriocentra* in southern California 261
Gordh, G. and Trjapitzin, V. A.
Notes on *Zaomma* Ashmead, with key to species 34
Howell, C. D.
Studies of Dasytidae No. 1: New species of *Pristocelis* 41
Jansson, A.
Identity of *Ahuautlea mexicana* de la Llave 251

Jansson, A.
A new species of *Krizousacorixa* from Mexico 258
Johnson, C. D.
New host records for *Acanthoscelides* 61
Kamm, J. A. and McDonough, L. M.
Sex attractant for *Oidaematophorus monodactylus* (L.) 284
Kimsey, L. S.
Synonymy of *Euplusia* Moure under *Eufriesia* Cockerell 126
Kohlmann, B.
Notes on biology of *Euphoria inda* (Linné) 279
Kormilev, N. A.
A new apterous species of Aradidae from Kenya 57
Lavigne, R. and Roth, D.
New host record for *Corythuca distincta* 20
Lewis, A. E.
List of Cerambycidae from Hualapai Mountains, Arizona 21
Literature Notices 233, 257
Lugaski, T. P.
Obituary: Ira John La Rivers, II, 1915–1977 230
Mintzer, A.
Colony foundation and pleometrosis in *Camponotus* 81
Notices 240, 278
Parker, F. D.
A new *Proteriades* with distributional notes and key to subgenus (*Hoplitina*) 51
Parker, F. D.
Alfalfa leafcutter bee—Reducing parasitism of loose cells during incubation 90
Papp, C. S.
New names in Cryptorhynchinae 228
Papp, R. P. and Johnson, J. B.
Origins of psyllid fallout in central Sierra Nevada of California 95
Penrose, R. L.
Notes on three Oregon lepturine Cerambycidae 159
Polhemus, J. T.
A new species of *Stridulivelia* from Mexico, and a new subgenus from Middle America 46
Recent Literature 229
Rockwell, R. F.
Emigration response behavior: II: Responses of *Drosophila busckii* 117
Proceedings, Pacific Coast Entomological Society 75
Rudinsky, J. A. and Vernoff, S.
Evidence of female-produced aggregative pheromone in *Leperisinus californicus* Swaine 299
Russell, L. K.
Beetles associated with slime molds in Oregon and California 1
Rust, M. K.
A new species of drywood termite from southwestern North America 273
Sakimura, K.
Lectotype designation for *Frankliniella tritici* Moulton 50

Silverman, J. and Goeden, R. D.
Life history of *Corythucha morrilli* on *Ambrosia dumosa* in southern California 305
Sims, S. R., Brittnacher, J. G. and Ayala, F. J.
Genetic confirmation of specific status of *Speyeria adiaste* group in California 111
Skiles, D. D.
A new subspecies of *Poliaenus nuevoleonis* from southern Arizona 106
Smith, D.
Larval stage of *Hydropsyche separata* Banks 10
Stock, M. W.
Systematics of *Saldula palustris* from the Oregon coast 222
Stone, M. W.
Food preferences in reared wireworms *Conoderus exsul* 72
Stone, M. W. and Wilcox, J.
The Gulf wireworm in California 235
Tepedino, V. J., Loar, J. M., and Stanton, N. L.
Experimental trapnesting: Notes on nest recognition in three species of megachilid bees 195
Tepedino, V. J. and Boyce, M. S.
A nest of *Osmia tanneri* from Wyoming 234
Tilley, L. J.
Some larvae of Orthocladiinae, Chironomidae, from Brooks Range, Alaska with provisional key 127
Vincent, L. S.
New record for *Sinarachna anomala*, an external parasitoid of *Mallos pallidus* 192
Wharton, R.
Some predators and parasitoids of dung-breeding Diptera from central California 181
Wirth, W. W. and Assis de Moraes, A. P.
New records and new species of biting midges from salt marshes in California and Mexico 287
Young, D. K.
Note on the Anthicidae of Kauai, Hawaii 33
Zalom, F. G., Meyer, R. P. and Mason, P. H.
Sympatric associations of *Systropus* spp. and *Ammophila* spp. 239
Zoological Nomenclature 186
